Bras: 32B

Panties: Lace and thongs

Anal: No

Masturbate: In the tub

We checked Madison's ID twice. Our photographer on the West Coast shot these pictures two days after Madison turned 18. That's about as young as you can get! "I knew that I wanted to shoot naked pictures as soon as I legally could," Madison told us. "Thank you for making my dream come true!"

Fall down seven
Stand up eight

"I like masturbating, but I don't do it all the time," Madison told us. "Usually on the nights that I do, I take the time to make myself comfortable. There's nothing like a warm lavender bath and an orgasm! Of course, I'd rather have a guy there with me. I'd ride him in the tub because that's the only position where I can get off. I haven't done it in the tub with anybody yet, but I did once fuck my boyfriend in a public lake in Georgia! I was playing with his dick, and he slid it inside of me while we were swimming."

She's got the taste

"I remember swallowing cum for the first time because I thought, 'why don't other girls like this? I love it!' I like to hold the jizz in my mouth for a second before I swallow so that I can savor the taste."

SEX ROBOTS

A Hong Kong man named Ricky Ma has spent over $50,000 to create a robot that looks just like actress Scarlett Johansson. The product designer doesn't have any plans to use the robot as a sex toy (or so he says), but the idea of buying a computerized sex doll that looks just like your favorite actress isn't too far off in the future. In fact, it could happen sometime in the next few years. TrueCompanion, a maker of silicone sex dolls, is advancing the technology rapidly. Its new line of robots come with convincing voices, heated genitals, artificial heartbeats, and hip motors that match your thrust. And the best part is you can change hairstyles, sexual preferences, and accents with the flick of a switch. The downside is that these dolls regularly run into the tens of thousands of dollars. But your robo-girlfriend isn't as far away as you might think.

LETTERS

I Pissed On *My Boyfriend*

Dear Naughty Mag,

Here's an embarrassing confession for you guys. It happened a few years back when I was in college. My friends and I would go to parties every weekend, and we'd end up drinking and flirting and dancing–you know, usual college stuff. I had been casually dating a guy for a few weeks, and I invited him to come to a shindig at a friend of a friend's house.

That night, he picked me up, and we drove together, flirting and running our hands on each other's thighs. It was a hot night, so I only had on a short, light dress. I didn't wear any

LET'S TALK ABOUT Facials

Men have been jizzing on their lovers' faces for longer than you might imagine. In 1785, Marquis de Sade wrote in 120 Days of Sodom, "I show them my prick, then what do you suppose I do? I squirt the fuck in their face." But it wasn't until the 70s that hardcore pornography started using the facial as a standard cumshot. Today, some sex researchers believe that approximately 62% up to 90% of heterosexual porn scenes end with a frosted face. But how common is it in everyday life? There aren't any wide-reaching research papers on the topic, but some informal surveys have shown a rise in acceptance and participation in recent years. What do you guys think about facials? Would you like to see more or less of them in your porn? Do you give your woman facials frequently? Let us know! Email us at *editor@naughtymag.com*, or send us a letter C/O NN0517 P.O. Lily

Los Angeles, California

Student

Age: 18

Born: January 16

Ht: 5′1″

Wt: 92 pounds

Bras: 32B

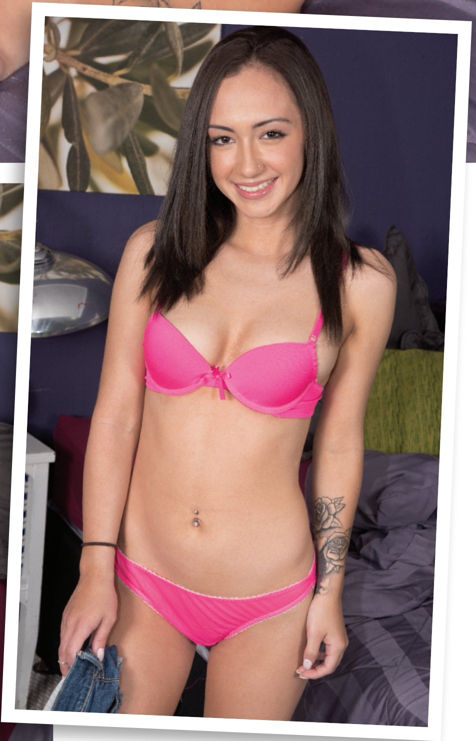
Panties: Cute booty shorts

Anal: No

BJs: Spit

Masturbate: Yes!

"At my old job, I had sex in my boss's office," Lily told us. "I didn't fuck my boss! I was kind of seeing this guy at work, and we were both feeling horny, so when my boss took off for the afternoon, we jumped on the opportunity to fuck at work! We were careful and quiet at the beginning, but then we went wild when we started getting into it. The guy ended up jizzing on a stack of papers!"



Equal opportunity lover

"Growing up, my best friend and I would always talk about what it would be like to have sex with another girl. Eventually, we gave in and slept with each other. That's when I found out that I'm bi."

“The first thing I did when I turned 18 was buy a vibrator from my local sex shop. I ended up buying a cute, little pink dildo. It’s amazing, and it’s the first time in my life where I can cum guaranteed anytime I want. Even with guys, I only cum once every two or three times I fuck. I think that It’s so unfair that guys get to cum every time they fuck!”

Selena

Miami, Florida

Student
Age: 18
Born: March 2
Ht: 5′5″
Wt: 115 pounds

Bras: 34C
Panties: Cheekies
Anal: Yes, please
BJs: Spit
Masturbate: Sometimes

“High school was amazing for me,” Selena told us. “I am an athlete, so I got a lot of free time to myself for training and for traveling from game to game. That meant that I could hang out with my boyfriend pretty much any time I wanted. While all of my friends were studying, I was sucking and fucking my guy in the parking lot or under the bleachers. We were probably screwing four or five times a week! Now that I’m in college studying sports medicine, I don’t get to have as much sex as I want.”

She's a giver

"I know that it's weird, but my favorite position is the 69. I just love sucking cock and having my pussy eaten out, so what could be better than doing both at the same time? Nothing!"

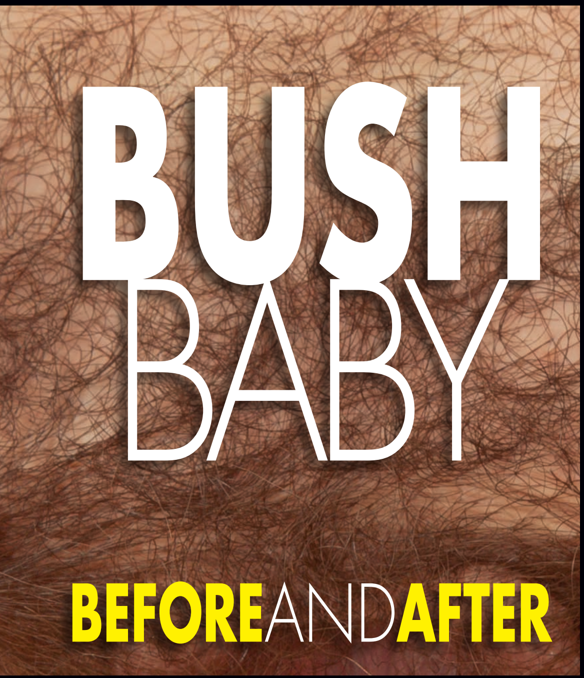
"I'm studying sports medicine because I like to help people. That's just what I do. I always like making people happy. That definitely extends into the bedroom. I'll do anything to make my guy happy. The first time he mentioned wanting to put it in my ass, you should have seen my face! I was, like, that's not happening! But I could tell he really wanted to, so I did it. Guess what! I ended up loving it, and now I'm having anal at least once a week."

JENA

WARSAW, POLAND AGE 39

BUSH BABY

BEFORE AND AFTER



If Jena looks familiar, it's because we've already printed photos of her. In fact, we've featured her as a Bush Baby before. So what is she doing in our book again? Well, she can't get enough attention. "When I sent in my photos last time, I thought that was going to be the end. But I kept reading the comments and the letters that men sent in, and I knew that I was going to have to give in to my urges and send in more photos. It drives me wild to know that men still find me hot."

"I go through phases of having a big bush and then shaving it off," Jena told us. "At first, it was just because of changing weather and in Poland, it gets frigid. The body hair helps keep me warm! Then I noticed that my husband loved the change. He gets used to me when I'm shaved, so I grow it out, and he goes wild. Then, when he's used to my beaver, I shave it all off. I get a few months of him ravenously eating me out and fucking the hell out of me before I change it up on him again. It's heaven for the both of us!"

Still looking good

"After I had my child, I assumed that men wouldn't ever look at me the same way. It's the opposite! My breasts swelled, and men are checking out my more curvy body all the time."

BEFORE

BEFORE

"I know that I said goodbye last time I sent in photos. I won't make the same mistake again. Who knows? If a year from now I'm feeling horny, I might pick up the camera again and send in some pictures on a whim. If I do that, I might try something new. I've only ever been shaved or had a full bush. Maybe I'll shave a landing strip on my pussy!"

JC

Manchester, New Hampshire

Student
Age: 18
Born: October 12
Ht: 5'9"
Wt: 113 pounds

Bras: 36A
Panties: Thongs
Anal: Licking only
BJs: Swallow
Masturbate: Yes

JC told us, "Nine out of ten times, I'd rather fuck a woman." Well, our stud John fucks her so hard, she's converted to cock by the end. And the way she sucks the cum off of his dick in the finale, we guess she just hadn't been fucked right until she came to us.

"I've had sex with more ladies than men, but I don't call myself a lesbian," JC explained. "For one thing, women are fucking nuts. I could never be in a relationship with one. But men aren't nearly as good at having emotionally close sex. Still, when I just need a good, hard pounding, there's no beating a thick cock."

She's a switch hitter

"I'm more dominant when I'm with a woman. I run that shit. I'll grab them by the hair when I finger fuck them. When I'm with a guy, I want him to slam me and treat me like his fuck doll."

Kendra

Tulsa, Oklahoma

Swim Instructor
Age: 24
Born: September 11
Ht: 5’4”
Wt: 120 pounds

5Bras: 34B
Panties: Thongs
Anal: I love it
BJs: Swallow
Masturbate: Dail

When you hear Kendra speak, you fall in love with her Southern accent. Then, when you hear what she’s saying, you fall in love with how slutty she is. For example, she told us, “I lost my virginity to my best friend’s step dad while everyone was home.”

Oh, she's a bad girl

"I love being a swim instructor, mostly because I get to flirt with the kids' dads. I love older men in their 30s and 40s. I've even got a couple of them to cheat on their wives with me!"

"My kinkiest sexual encounter was a gang bang at a porn theater when I was 19. My boyfriend at the time set it up for me as a gift. I knew that I was going to fuck him, but not that everybody in the building was going to take turns on me! My guy brought enough rubbers for everybody, so all 12-or-so got to take turns on my little, teenage pussy."

Cutie pie Carolina is every man's dream. She's adorable, sweet, and has a very healthy sexual appetite. Oh, and she loves all kinds of men. "Age, race, religion–none of that matters to me as long as the guy is cute."

We can do that

"If you want to impress your lady, go down on her for more than one minute. Seriously, a bunch of guys thinks that's all it takes. Spend 10 or 15 minutes eating your woman out and she'll return the favor!"

Emily's guy said that it was Emily who proposed a drive through the countryside. It was his idea to bring along the camera, though. "I had just taken naked photos of her a couple of days before we took these pictures, so it was still fresh on our minds," he told us. "When I suggested that she strip down on the picnic tables, she was nervous! I told her to try out all of the poses that models do and she did them."

Emily's boyfriend said…

"I joked that I was going to send in these photos to you guys. We laughed about it, and I don't know if she thought I was just kidding. I hope she won't be mad when she finds out!"

"I'm an amazing chef, and I play the piano like a pro, so my ideal date would probably be hanging out at my house, making dinner and playing music. I'm not usually the kind of girl to fuck a guy on the first date, but I'll suck his dick if he's really special. I've been told that my blowjobs are mind blowing, and I love getting in all the practice I can."

"It's really sexy when a man knows what he's doing in the bedroom," Mila told us. "Unfortunately, the boys in my town suck! I've never had an orgasm from a boy. So, since I don't date much, I get bored easily, and when I'm bored I masturbate. That means that I watch a lot of porn, and that's how I found your website. I thought to myself, 'I could do that.' I'm cuter than some of the girls on your website, so I knew that wouldn't be an issue. With this check you're giving me, I'm going to spend a week in San Francisco and try to find a cute guy who knows what he's doing."

Attainable goals

"I love going on hikes in nature. My biggest fantasy is having sex outdoors, in the middle of nowhere, right out in the open. If I ever get a boyfriend, I'll ask him to do that with me."

panties because I was sure that night I was going to get lucky. I love showing off for guys, letting my skirts and dresses ride up until my bare pussy is barely showing. I let my boyfriend see my mound before we got out of the car, and he told me that we were going to have fun later.

The party was pretty lame, so I ended up drinking quite a bit just to liven things up. When I drink, I get horny, so my already high libido was almost full throttle at that point. By the time we decided to leave, I only had my guy's thick dick on my mind. Because I lived at home with my folks, I had him find a park to pull into. It was completely dark, and we knew we would have privacy. We started making out, our hands exploring all over. He gripped my tits over my dress, tweaking my nipples, which made me moan. I unbuttoned his collared shirt and rubbed his hairy chest. I love men with hair. His big hands were now fully cupping my tits, which I had popped out of my dress. I gripped his belt, and after a few seconds of struggling, I pulled his cock out. We were still exchanging spit, and our tongues were colliding with one another, but that was just a tease for my mouth. I moved down to his lap and began to kiss his dick. As soon as I ran my tongue over his tip, I tasted his salty precum. It was delicious. I used the oily liquid as lube for my mouth and took him halfway

The pressure is too much!

into my throat. He began to moan and placed his hands on my head. I sucked him, moving my head faster and faster while I massaged his nuts with my free hand. When I felt his sack tense, I stopped. I didn't want him to bust before I got a chance to ride him.

We moved to the back seats where we had more room to move. He sat upright, his cock throbbing and slobbery, waiting for my drenched pussy. I climbed on and hovered above his equipment, hiking my dress up around my waist. My tits were now eye level for him, and he began sucking and licking my nipples, motorboating me with a ton of enthusiasm. I love my boobs being played with, so I was in heaven. As I lowered my hips onto him, his girth began to stretch me. This was the first time we had gone all the way, and I was surprised at how full he was making me feel. He felt even bigger than he looked.

I moved slowly on top of him, not wanting him to cum just yet. I was close, too, but I need a little more than ten seconds to cum! As I rocked, I realized that the pressure building inside my abdomen and swollen cunt was more than just a building orgasm. The drinks I had knocked back were now wanting to come out. With every thrust of my hips on top of his engorged cock, the need to pee built inside of me.

I couldn't stop. I was desperate to cum, but his moans had built in volume from between my tits, so I knew he was close to finishing.

To give him a little bit of a break, and to give myself an opportunity to clench down on my bladder, I suggested that we switch positions. He pulled his cock out of my pussy, and I turned around, presenting him with my ass in doggie-style. His hands began to massage my ass cheeks, and I felt him kiss my lower back. His mouth moved down towards my asshole and cunt. He passed my butt and began to focus on eating me out. It felt amazing, and I wanted him to continue, but I didn't want to piss in his mouth, and I was sure that if he made me cum from oral, I would lose control of my body. I reached behind me and tried to pull him up so that he could fuck me, but I ended up just pulling his tongue onto my asshole! It

was the first time I had ever had a guy tongue my butt. He probably thought that I was some sort of freak who pushed him into rimming me, but he didn't seem to mind too much as he set to work on my back door. I was too embarrassed to tell him what to do, and to be honest, it felt too good to ask him to stop. His tongue darted and slid across my forbidden hole, occasionally pushing against the center and forcing a small bit inside of me. I felt violated and dirty and turned on beyond belief.

Finally, I felt myself begin to ride the crest of the orgasm wave. I knew that I had to have him inside of me when I finished. I told him that I needed his cock in my pussy, and he jumped right up. He thrust into me, and I felt as though I had never been properly fucked before that moment. His hands reached down and gripped my hair, giving me a tight tug, but only to guide my body as he hammered me hard. He pulled me onto his dick, and I held on for the ride and whimpered. If he was close to cumming before, he must have been clenching his prostate nearly as hard as I was clenching my bladder!

There are three kinds of girls. Those who masturbate. Those who do not masturbate. Those who masturbate in front of friends and total strangers. Sabrina, well, you can guess what group she's a member of. “I’m kinda the party girl in my group of friends. I’m the one who always pushes us to do fun things. I tried to get them to pose with me.”

Wood Filler

Putting on a show

"I vibrate and finger myself regularly if I'm single and don't have any guys to bang me. I like to do it in front of guys, too. I get off more when I see a guy is hot for my pussy."

"I know a guy who always has his camera with him, so I asked him to take these pics. He lives at home, so we had to sneak into his garage to do it. When I pulled out my dildo, he just about fainted!"

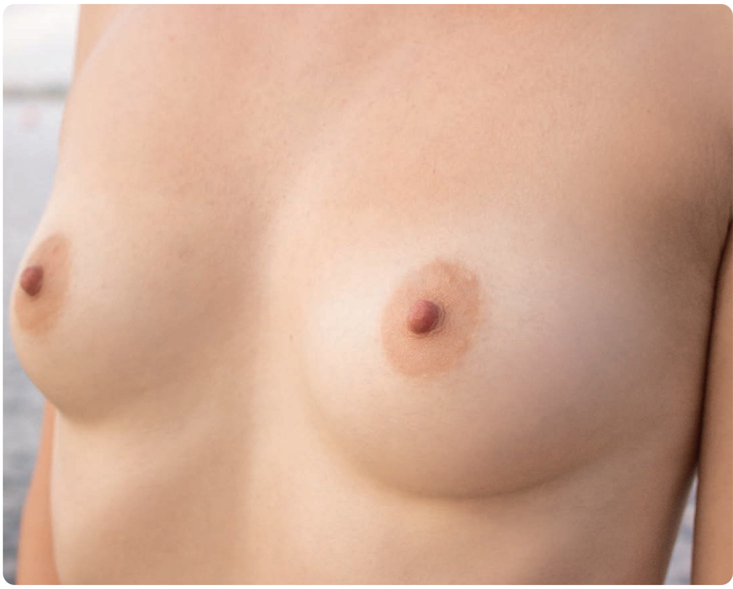
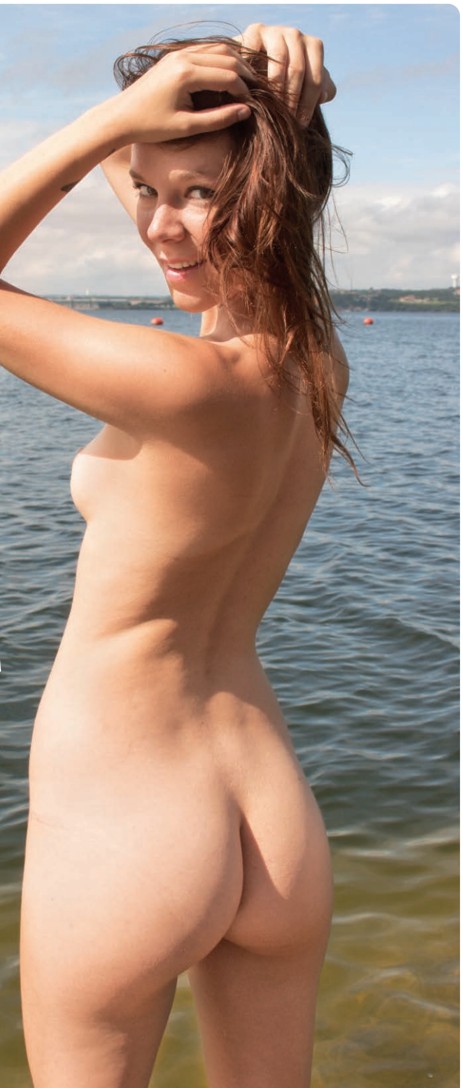
“I’m dating the most-amazing guy in the world,” Kristin told us. “He treats me well, buys me things, takes me out for fancy nights on the town. We even work out together at the same gym. But I’m a student, and I can’t afford to buy him anything nice. His birthday is coming up, and I decided to splurge and buy him a really nice watch. When I found out that you guys buy photos from college girls like me, I took these off of my boyfriend’s computer and sent them in. We took them last summer at the lake.”





"I'm hoping that none of my friends or family find out about this. I'd be so embarrassed if anybody I know sees me spreading my pussy. These were meant to be private photos for just me and my boy. But desperate times call for desperate measures, and I want to give him something more than what I gave him last year for his 23rd birthday–a threeway with a girl I know from school. He enjoyed that a lot, but I feel like the watch will mean more to him than hooking up with a stranger."

Generational differences

"Most of my friends aren't ready to settle down. They're enjoying the college hookup life. That's not for me. I can't cum unless I know the person who I'm sleeping with. I guess that's weird for people my age."

You want to see how life is different for guys with a ton of money and charisma? Check this out. Amber was walking door to door, canvassing for a local politician. The on-again, off-again student wasn’t as dolled up as she is in these pictures. She knocked on the door of the guy who shot these pictures. He impressed her with his house, his car, and his photography collection. A week later, he had her convinced that she was the next big thing in the modeling world, and that she’d need some nude photos for her portfolio. Here are the results.

He said that she said…

"Guys have always said that I'm pretty, but I thought they were just trying to get into my pants. When you offered to take my photos, I figured you get loads of offers from women, so you must think that I'm hot!"

Our photographer told us that Amber is a bit of a hippie. She claims that she's a psychic, and she has some serious chops when it comes to singing and dancing.

Bubbly personality, bubble butt, and covered in bubbles– Sabrina is offering to take a bath with you! “My boyfriend loves jumping in the shower with me,” she explained. “But this time he brought his camera with him. I was shy at first, but I figured, ‘what the hell? Why not?’ I was very nervous about some of the more graphic shots, but I guess I understand the appeal. Having a nice, wet cunt in your face is pretty much the best thing ever. I hope you enjoy all of these pictures!"

"People would be shocked to see me in your mag. I was the class valedictorian in high school. I had a 4.2 GPA. A lot of people don't know this about me, but I'm a carefree flower child in the old sense. I'm all about free love. I love eating yummy pussy, deep throating my best guy friend's beautiful, big cock, and 69-rimming my girlfriend Natalie while my boyfriend jerks off at the sight of us."

Pass the butter

"I love older guys. I enjoy their minds and bodies. One of my family friends is 60, and he's practically family, but I still fantasize about sucking his dick underneath the dinner table."

Remy is a nearly-40-year-old Canadian cutie who moved to South Carolina years ago. How does the South treat Remy? "Just fine," she told us in a fake Southern accent. "The men are a lot better down here!" Remy likes playing soccer to keep in shape. She loves makeup and fashion, and she spends a lot of time with her kids. She's happily married and has a great sex life. "We have sex whenever we can find the time. It's hard to do with kids in the house, but I love it when he sneaks up behind me in the laundry room, pulls up my dress and slides into me. We're also really good at taking showers together in the mornings. We usually fool around a bit in there before I go down and make breakfast for the kids. It's our special time."

Dream Life. Dream Wife.

"My sexual fantasies are silly. I dream about making my hubby happy. In fact, the one thing that turns me on more than anything is seeing my husband's reaction when he has an orgasm."

"Sometimes my husband will surprise me with a date night. It's awesome. Last month he took me to the movies. I was so thankful, I sucked his cock in the back row. I missed half of the movie, but it was my way of saying thank you."

After a minute or two of hardcore jackhammering, I was ready for us both to finish. I crawled forward and he sat back down. I straddled him again and felt his cock fill me up. His final "argh!" was so loud and powerful; I knew what was about to happen. He gripped my hips and pushed deeper into me, burying his shaft inside me until he bottomed out. I felt him erupt, spraying his cum against my cervix and coating my pussy walls with his thick jizz. One more stroke and I was in heaven. My body quaked as my orgasm shot through me, tingling my toes and causing me to squeal. My bladder emptied, and I released my hot piss on top of his dick. I was surprised that this made my orgasm even more powerful. I was emptying everything I had onto his fat cock.

"You're squirting," he said excitedly. I didn't have the heart to tell him that I pissed on him and his car seats. I'm pretty sure with all of the beer and cocktails I had; my pee was clear.

I got out of the car and used an old shirt he had in the back seat to clean myself off. He had a goofy grin on his face. He was proud to have made me "squirt." I never told him what I really did, and we broke up a few weeks later. We were compatible in bed, but not on other levels. I've never pissed on another guy, but if one asked me to try, I think I might give it another go!–*M.A., Decatur, Georgia* **NN**

THEY'D RATHER FUCK THAN STUDY!

College girls are young, promiscuous, and exploring their sexuality every day. What's not to love? Kalie told us, "I tried to get my boyfriend to do the porn shoot with me, but he got performance anxiety just sitting on his couch. Then he told me he wouldn't be jealous if I fucked a pro. It turns out that he was jealous. Whatever. There are plenty more guys on campus." Abby said that shooting porn was tame for her. She recently got into fisting, gangbanging, pegging, and piss play!

Zoe is taking business classes at her school. She takes her education seriously, and her fucking even more seriously than that! She likes it rough, which she told us during a brief interview. She said she wants bruises when she fucks because it reminds her of having a good time. Well, our boy Juan gave her the fucking of a lifetime, and she had bruises for weeks. We wonder what people thought when they saw her on the quad.

Evi loves everything about going to school in the Pacific Northwest except for the lack of sunshine. "I love nude tanning, but in the winter, I have to go south to get my vitamin D. I hit you guys up so I could get another kind of D while soaking up the sun in Miami!" Alex has a foot fetish. Before she fucked our stud, she asked him to suck on her toes. Our guys are professionals here, and they do anything to please their co-stars, so he licked her soles like a dog. Alex told us, "None of my hookups from school will do it for me. They think it's gross."

Tracey told us, "My roommate in the dorm sneaks her boyfriend in all the time. He checks out *NaughtyMag.com* on my laptop all the time. He gave me his password so I could see it too, and I soon got the idea of fucking a Score Group stud to feel what a really big dick is like, especially when the guy who's got it is really good at fucking. It's way awesome." Dixie decided to go to school in Michigan to get away from her old friends on the East coast. "I wanted to reinvent myself," she told us. "I was a prude in high school and never dated, and I wanted to change all of that. I decided to throw myself into the deep end by shooting a porn scene."
